Correction to: Factors associated with poor treatment outcome of tuberculosis in Debre Tabor, northwest Ethiopia

Addisu Melese^{1*}  and Balew Zeleke²

Correction to: *BMC Res Notes* (2018) 11:25

<https://doi.org/10.1186/s13104-018-3129-8>

Following publication of the original article [1], similarity with another article by the same authors was reported. The authors would like to clarify that the current study [1] is an update of previous work that used the same data set in the analysis [2]. In Melese and Zeleke [1], the authors found that factors associated with poor treatment outcome were not sufficiently addressed previously. As a result of the reanalysis the effective sample size has changed.
